

-Meeting Notice-

May 20, 2002

**CALFED Water Use Efficiency (WUE) Program
Urban Certification Staff Ad Hoc Work Group**

Meeting Date and Location:

**Thursday, May 30, 2002
9:30 a.m. – 4:00 p.m.**

**Resources Building
1416 Ninth Street, Room 1506
Sacramento, CA 95814**

Background:

The CALFED Bay-Delta Program is a cooperative effort among state and federal agencies and the public to ensure a healthy ecosystem, reliable water supplies, good quality water, and stable levees in California's Bay-Delta system. The Water Use Efficiency Program is one of several Program elements CALFED is implementing through an integrated approach. The August 2000 CALFED Record of Decision called for CALFED agencies to implement a process for certifying urban water suppliers' compliance with the terms of the Urban Memorandum of Understanding. The CALFED Bay-Delta Program has convened an Urban Certification Staff Ad-Hoc Work Group to assist the WUE Program Manager in developing a well informed, implementable and broadly supported urban certification process.

Purpose of Meeting:

The May 30 meeting – the fifth and likely final of the full Work Group – will provide an additional opportunity to discuss in detail the issues to incorporate into an urban certification framework. Participants will assist the Program Manager in considering options to address the remaining issues under discussion and continue identifying broadly supportable concepts. The Work Group's Meeting Agenda is provided below.

Meeting Agenda:

- | | |
|--|------------|
| 1. Welcome, Introductions and Background | 9:30 a.m. |
| 2. Discussion: Program Manager's Draft Framework | 9:45 a.m. |
